IN RE: Application of Paragon Freight Systems, )  
Inc., 5908 Spanish Oak Drive, Greensboro, ) ORDER  
NC 27409, for a Class E Certificate of ) GRANTING  
Public Convenience and Necessity. ) CERTIFICATE

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of an Application filed by Paragon Freight Systems, Inc. (the Applicant) for a Class E Certificate of Public Convenience and Necessity to render motor freight service over irregular routes only, as follows:

TEXTILES AND TEXTILE PRODUCTS: Between points and places in South Carolina.

The Application was later amended by adding the following restriction:

RESTRICTED: TO TRUCKLOAD LOT QUANTITIES.

Subsequent to the initiation of this proceeding, the Commission Staff instructed the Applicant to cause to be published a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and

time in which to file the appropriate pleadings. The Notice of Filing was duly published in the State Register. The Petition to Intervene filed by Greenwood Motor Lines, Inc. was withdrawn following the Applicant's downward amendment to the initially requested authority.

Upon consideration of the amended Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that the Applicant is fit, willing and able to perform the service to the public under the authority sought. The Commission also finds that the granting of the certificate is required by public convenience and necessity.

IT IS THEREFORE ORDERED:

1. That the Application, as amended, for a Class E Certificate of Public Convenience and Necessity be, and hereby is, approved.

2. That the Applicant file the proper license fees and other information required by S.C. Code Ann., Section 58-23-10 et seq. (1976), as amended, and by R.103-100 through R.103-280 of the Commission's Rules and Regulations for Motor Carriers, S.C. Code Ann., Vol. 26 (1976), as amended, within sixty (60) days of the date of this Order, or within such additional time as may be authorized by the Commission.
